

GPipeline::createGNode

```
graph LR; A[GPipeline::createGNode] --> B[GElementRepository::insert]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'GPipeline::createGNode'. The right box is white with a black border and contains the text 'GElementRepository' on the top line and '::insert' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.

GElementRepository  
::insert
