

GPipeline::addGStage

```
graph LR; A[GPipeline::addGStage] --> B[GStageManager::create]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'GPipeline::addGStage'. The right box is white and contains the text 'GStageManager::create'. A blue arrow points from the right side of the gray box to the left side of the white box.

GStageManager::create
