

USingleton::get

```
graph LR; A[USingleton::get] --> B[USingleton::create]
```

A diagram illustrating a function call. A gray rectangular box on the left contains the text "USingleton::get". A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right, which contains the text "USingleton::create". Both boxes have a black border.

USingleton::create
